

PASSIN' GO

SIRE: MONOPOLY
DAM: FULL FLUSH X ANGUS
BD: MARCH 17 ■ BW: 80 LBS.
TH CARRIER, PHA FREE ■ ACA# P 346622
SEMEN AVAILABLE TODAY \$25/UNIT

When the glitz and glamour fades, we long for something real: quality without manipulation. Passin' Go features an abundance of power, with a wide-based, stout construction while still maintaining a soft middle, easy fleshing ability, and a sound, smooth structure. It is rare and exciting to see these traits in a half-blood Angus sire!

FIRST CALVES ARE HITTING THE GROUND AND LOOK TREMENDOUS! PHOTOS COMING SOON.
